

Sale of Chametz Form
Power of Attorney

It is most important that all chametz is disposed of or sold before Passover. Although the non-Jew usually sells it back after Passover, this is an entirely valid and legal sale . The chametz to be sold should be securely locked away in a room or cupboard, which will not be used over Pesach. It is customary to empower the local rabbi to sell one's chametz and to sign the rabbi's contract. If this is difficult, fill in and post the form below
